Subject: Response to Letter of May 25, 2005 to Moveon.org Voter Fund

By this email I am responding to the Commission's letter of May 25, 2004 to Moveon.org Voter Fund regarding its Form 9 submission of May 5, 2004.

- 1) The only candidate referred to in the Form 9 submission is President George Bush who is a candidate for re-election for President of the United States. In the event of future submissions, Form 9 will fill the Schedule B box with the District of Columbia.
- 2) The in-kind contribution disclosed on the Media Fund report was the donation of a previously aired and disclosed advertisement that had been also aired by Moveon.org Voter Fund as an electioneering communication. The Media Fund was disclosing the fair market value of the production costs of the original ad. The Media Fund paid for all advertising time and Moveon.org did not purchase any additional time for the advertisement. Per my conversation with the Commission, it is my understanding that, under these circumstances, there are no additional reporting requirements for Moveon.org Voter Fund.
